

Come join a discussion of
THE CHILE THAT IS—AND IS YET TO BE
with:

Theresa Valdes, Chilean sociologist, visiting faculty, Columbia University, and leader of the Chilean women's movement, on the Chilean struggle for human rights and democracy and the social conditions in Chile and community organization to struggle against hardships of a dictatorship.

Michael Parenti, political scientist and author of "Inventing Reality" and other works, discussing the Chile and Latin America that the U.S. media have invented.

Bobbie Rabinowitz, Vice President, Local 371, Social Service Employees Union AFSCME and Executive Board Member of NYC Chapter of National Association of Social Workers, on how we can help support our Chilean colleagues struggling for human rights and democracy.

Marion Langer, Ph.D., Executive Director, American Orthopsychiatric Association—Moderator
