cultural  
Resistance  
of the political  
prisoners.

Embroideries  
jewellery  
coins.

The military dictatorship issued new coins,  
celebrating their coup with an image of  
"Liberty". These coins, like the banknotes,  
have been adopted by people to carry messages  
of resistance. In this coin, the hands of  
the figure of Liberty have been joined together  
with chains.
